

U19B National Schools Lacrosse 2025

By Mrs Smith (PE Teacher)

The U19B team took to the field on Saturday 8th March for the start of the National Schools Lacrosse Tournament, fully aware that they had been drawn into a particularly tough pool. Undeterred, they approached every match with determination, working hard and celebrating their successes as a team. The opening day saw a strong performance against North London Collegiate, securing a 6–2 win. This was followed by a narrow 2–1 loss to Downe House before facing challenging matches against Moreton Hall and Berkhamsted, both ending in 6–0 defeats. The team continued to battle hard in their final two group games, scoring against St Helen’s and St Katharine’s and Marlborough, but ultimately finishing with 5–1 losses in both. These results placed BGS in Division 2 for the remainder of the tournament.

On Sunday 9th March, the squad returned with renewed focus and worked tirelessly to produce some impressive results. A commanding 4–0 victory over Benenden set the tone for the day, followed by a 3–1 loss to Caterham and a 5–1 defeat to Godolphin. These performances earned the team a place in the quarter-finals, where they faced Marlborough College and secured a 5–2 victory. Progressing to the semi-finals, they once again met Godolphin, who proved just too strong on the day, taking the match 4–1.

It was a competitive and valuable weekend of lacrosse, with the team gaining plenty to reflect on and build upon. The tournament also marked a farewell to Year 13 players Alice, Annabelle, Mia and Olivia, whose contributions to the squad have been greatly appreciated.
