

## U19C National Schools Lacrosse 2025

### By Mrs Lombaard (PE Teacher)

On Monday 10th March, the U19C lacrosse team made their debut at the National Schools Lacrosse Tournament, marking the first time BGS had entered a squad in this category. Competing against strong opposition, the team approached the day with determination and enthusiasm, showcasing their skill and teamwork throughout.

BGS performed well in the group stages, securing a place in the top 16 of Division 2. Their efforts saw them progress to the quarter-finals, where they faced St Catherine's, the eventual tournament winners. In a fiercely contested match, the team pushed their opponents to the limit, forcing the game into overtime. Although the result did not go their way, they demonstrated resilience and spirit against a side that would go on to claim the title.

It was an encouraging debut at this level, with every player contributing to a strong team performance. A special thank you goes to Captain Jaspreet Lidder and Vice-Captain for their leadership, as well as to Sukhpreet Sahota for her determination in goal.
