The culture at Bedford Girls' School

At Bedford Girls' School we want to create a culture where students feel valued and are proud to part of the school. The atmosphere is calm, safe, purposeful and supportive and learning in all areas of the curriculum is prized. Students are taught explicitly what good behaviour looks like so that they can succeed personally. Social norms and routines are explained by tutors and teachers so that students understand the expectations of them.

All members of Bedford Girls' School should value others and understand that all students matter equally. This is evident in the awareness we show of each other, we value difference and we listen to each other's views carefully. We seek help for our friends if we think they need it. We are punctual and we communicate respectfully with each other.

We value ourselves, we ask for help and support when we think we need it, we actively engage in the learning process whether that's in or out of the classroom.

We value our environment, we look after the buildings, we only eat in the Junior School Garden, dining room or green room and we put litter in the bins.

We value property and take responsibility for our belongings.

We have a consistent approach to rewards and consequences and we use restorative practices in the management of relationships. Restorative approaches allow those who have been harmed to convey the impact of the harm to those responsible, and for those to acknowledge this impact, take steps to put it right and consider what strategies they could adopt to avoid a similar thing happening in the future.

School rules

The fundamental school rule is that all students, at all times, should behave responsibly, sensibly and courteously.

The following school rules should help us all to create a culture where everybody matters and everybody's ideas are valued.

- **Follow the instructions given by staff**
- **Talk and behave in a way that will not offend others**
- **Be prepared to learn and do not disrupt the learning of others**
- **Be punctual**
- **Look after your school environment**

These rules apply when at School, when representing the School, on School trips and on the journey to and from School, whether or not uniform is being worn.

Expectations with regard to students

Students will be expected to:

- conduct themselves around the building in a safe, sensible, manner and show regard to others
- arrive on time to lessons
- bring equipment appropriate for the lesson
- follow reasonable instructions given by the teacher
- follow the routines explained by school staff. School routines are at the end of this policy.
- behave in a reasonable and polite manner to all staff and students
- show respect for the opinions and beliefs of others
- complete all class work in the manner required
- hand in homework at the time requested
- show respect for the working environment
- follow the school rules

Expectations with regard to staff

Staff will be expected to:

- be punctual and create a swift and purposeful start to the lesson
- Clearly explain their classroom routines to students and revisit them regularly
- reinforce clear expectations of behaviour
- deliver a suitably planned and structured lesson which meets all individual needs
- deal with incidents of inappropriate behaviour by following the school's procedures
- promote and reinforce positive behaviour in the classroom
- teach and model expected behaviour and positive relationships
- issue clear guidelines with respect to deadlines

Expectations with regard to parents/guardians

Parents and guardians are expected to:

- work in partnership with staff to ensure good behaviour

BEDFORD GIRLS SCHOOL

- inform staff of any concerns
- respond to concerns raised by members of staff
- ensure students come to school wearing the correct uniform, that they are correctly equipped and prepared to work
- provide a supportive environment for homework

The positive Reward System (Junior School)

It is important that achievement and good behaviour are rewarded as this embeds the school's expectations. Rewards can include verbal praise to the students, this helps to show all students what good learning behaviour looks like. Communicating praise to parents is good practice. We can also reward positive behaviour by giving and recording on the school database House Points. House Points are visible to parents via the iSAMS parent portal.

House Points and Certificates (Junior School)

House points

House points are awarded by staff for learning, service to others and representing the school.

Bronze Certificate

A Bronze Certificate is awarded to the student when she has achieved 50 house points.

Silver Certificate

A Silver Certificate is awarded to the student when she has achieved 100 house points.

Gold Certificate

A Gold Certificate is awarded to the student when she has achieved 150 house points.

Platinum Certificate

A Platinum Certificate is awarded to the student when she has achieved 200 house points.

Hot Chocolate Friday

Every Friday, Students from specified year groups are invited to have 'Hot Chocolate with the Head' during morning break in the Head of Junior School's office.

Class Weekly Award (sometimes called Star of the Week)

Some class teachers present a weekly award to a member of the class who has been making particular progress in learning or in attitude to learning. In some younger years, this may be a bear or toy to take home.

Eagle Awards

Up to three students in each class can be nominated by their teacher for an Eagle Award for every Celebration Assembly. Eagle Awards are awarded to students for showing positive learning attributes, linked to the IB Learner Profile. Certificates are personalised with individual comments from each teacher. Parents are emailed and invited to the Celebration Assembly to see their daughter receive her certificate.

Headteacher's Book of Excellence

The Headmistress holds a Book of Excellence. Staff email the Headmistress to request that a girl sign the book. She will be invited to the Headmistress's office to discuss her achievement.

Procedures for Dealing with Concerns about Learning

At Bedford Girls School we support students who need additional help with their learning. Referral to these areas of support is via the HoY and in all cases parental involvement is essential.

An Individual Learning Plan (ILP) is written for students with more specific learning needs.

For students with behavioural needs, an 'Individual Plan' is written with behaviour targets.

Placement on the Learning Support Register

Students on the register are monitored by the Head of Learning Support and appropriate interventions are put in place.

Procedures for dealing with concerns about behaviour

It is the responsibility of form teachers and specialist subject teachers to deal with **minor incidents** which occur in the classroom. Staff should be fully aware of SEND when managing classroom behaviour. Behaviour will need to be considered in relation to a pupil's SEND although not every incident of misbehaviour will be connected to their SEND. When a pupil is identified as having SEND, a graduated approach should be used to assess, plan, deliver and review the impact of support being provided.

All staff have responsibility for the behaviour of all children in the school at all times.

Following a sanction, a targeted discussion with the students should occur following a restorative approach (what they did wrong, the impact of those actions, how they can do better in the future). It may also be necessary to call parents.

Where a student is having difficulty in following behaviour expectations, pastoral support will be offered. Poor behaviour can be indicative of a deeper concern or SEND issues. The Pastoral Care Policy has further details.

Students will be supported by Teaching Assistant led interventions during lessons.

More serious incidents can be dealt with by the teacher, but should also be reported to the Head of Year where a note is made of the incident on the behaviour log stored in the staff shared area.

It is the responsibility of the Heads of Year to monitor students' behaviour in all subjects. They will become involved if a student's behaviour is beginning to show a pattern or is causing concern in a number of subject areas. Heads of Year will discuss possible strategies and appropriate action with the Head of Junior School and a record will be made in ISAMS. Depending on the nature of the concern, parents may be contacted.

The Head of Junior School is responsible for dealing with serious incidents which are likely to result in exclusion.

The Headmistress or the Deputy Heads are the only member of staff who can sanction a **fixed term or permanent exclusion**. In the case of all exclusions, parents/guardians are informed in writing of the reasons for the exclusion and their right of appeal. Excluded students are provided with work for the duration of the exclusion.

See Discipline and Exclusions Policy for further details.

Below are outlined some of the details:

Years 3 - 6

Tights: plain black

Socks and tights should not be worn together.

All school shoes must be black leather and heels should be flat. Shoes should enclose the foot and remain securely on the girl's foot.

Coat: Years 3 -6, : The coat must be the Schoolblazer black fleece-lined reversible waterproof.

Scarves, hats, gloves: plain black.

Hair should be tidy and of a natural colour. Shoulder length hair must be tied back.

In PE earrings must be removed, including studs. Ears must therefore be pierced during the summer holidays so that studs can be removed during PE lessons.

School bags for Years 3 – 6 must be purchased from Schoolblazer.

Wearing PE kit during the school day

To minimise carrying sports equipment to school, Students are encouraged to bring their PE kit to school at the beginning of the week and leave it in the cloakrooms/ lockers (Year 6) for the duration of that week.

Students who have a PE lesson P1 may come into school in PE kit. They must change into school uniform at the end of their PE lesson.

If they have a match or an off-site practice immediately after school, they may get changed at lunchtime.

If they are leaving for a fixture during the school day they should have changed into their PE kit in the previous break/lunchtime.

If they have a PE lesson P4 and a practice after school they can stay in PE kit for P5.

If they have a lesson P2 and a practice at lunchtime they will stay in PE kit P3 and change into uniform at lunch.

Students are allowed to go home in their PE kit if they have had PE period 5.

Procedures for dealing with concerns about uniform

The correct wearing of uniform is enforced by reminders to students and speaking to parents.

PE teachers monitor the students' PE kit and equipment. When a student does not have the correct kit, a note is made in ISAMS. This is followed up by the class teacher.

If uniform is persistently incorrect, the class teacher will make a phone call home to parents/guardians

If wearing of incorrect uniform persists, parents will be contacted by the Head of Junior School.
